

Black Swamp Rowing Swim Test Waiver

_____ (print rower name) has my permission to participate in the swim test as required. I understand that the test will be administered according to the guidelines of the US Rowing Association and will be conducted under the supervision of qualified individuals. I understand that this test requires the student to tread water for 10 minutes while wearing sweatpants and a sweatshirt (not hooded). I further release all involved parties from all liabilities incurred during the administration of the test. This includes Black Swamp Rowing and its agents and representatives, the test administrator, and all property owners where the swim test is administered.

I also certify that my daughter has no known physical or mental conditions that would limit his/her ability to complete the test.
